# Placement Test Requirements

Before You Can Take Your Placement Test You Must Obtain a CCC Student ID Number. See Below Steps

- At least one week prior to your placement test visit https://onlineapplication.clackamas.edu/CCCApp/Step1?sType=CRED&progCode=NA.CREDIT

  The application will look like this.

- Complete the application questions and submit your application. You will receive an email within approximately 48 hours giving you instructions about setting up your MyClackamas student account and your student email account.

  When you enter the apprenticeship program you have thirty days (30) to take the two required placement tests through Clackamas Community College Wilsonville Campus. You need a **minimum of 250 in reading** and a **minimum of 226 in math**. Currently the tests are being proctored online over Zoom. You will need a computer or laptop with a camera and microphone to complete your tests. Phones, tablets, and Chromebooks will not work for the tests. Test results must be submitted immediately, email

apprenticeship@areaonejatc.com or mail to: 15800 SW Boones Ferry Rd. B3, Lake Oswego, OR 97035.

The tests are not designed to keep you out of the program, but to determine if you have any special education needs which will need to be met to enable you to succeed in the training program. If you fail to pass the tests initially you will have **six months** to complete them successfully. This may require you to take a remedial class on your own.

Contact Clackamas Community College Wilsonville Campus at (503)594-0940 or testing.wilsonville@clackamas.edu to schedule a testing appointment and to learn more.

FAILUTRE TO TAKE THE TESTS WITHIN THE FIRST THIRTY (30) DAYS WILL RESULT IN A CANCELLATION FROM THE APPRENTICESHIP PROGRAM.
